## **OSI Europe completes Fourth Individual Development Program (IDP 4)**

**September 2015**

We are delighted to announce that in September 2015, a graduation ceremony took place for our ten employees who had participated in the fourth European Individual Development Program (IDP 4).

The IDP is a high level training program, equivalent to a Bachelor's degree, which is part of our training and development strategy. Its intention is to maximize skills for potential leaders of the future. Employees are nominated by their line managers to attend the prestigious course.

The IDP 4 commenced in June 2014 and included various modules, giving the candidates specific tools and skills ranging from understanding themselves, via an MBTI assessment; managing teams; case studies; negotiation skills; presentation skills and much more.

Congratulations to all of our new graduates for their hard work and efforts they gave throughout this 15 month program:

- Thomas Gansen from OSI Duisburg
- Alexandra Kornherr & Michael Artmann from OSI Guenzburg
- Sandor Zsidi from OSI Hungary
- Wolfgang Allgaeuer from Denzingen
- Andreas Greisinger and Sinisa Cecez from OSI Austria
