

Creative Foods Europe Wins Commercial Partnership Award from Whitbread

October 16, 2019 – Creative Foods Europe won the *Commercial Partnership Award* at the Whitbread Supplier Conference held at Wembley Stadium in London on October 2, 2019. Whitbread PLC is the UK's largest hospitality company, owning Premier Inn as well as Beefeater, Brewers Fayre, Table Table and Bar+Block.

This award demonstrates that the hard work and effort put in by the Creative Foods team has been well recognized. Whitbread appreciates that the Creative Foods team understands its business and is able to react quickly when needed, whether it's commercial, supply chain, technical or product development driven. In addition, Creative's collaborative buying approach in this challenging environment on the lead up to Brexit played a big part as well.

Creative Foods was also nominated for the *Supplier Service Award* and *Force For Good Award*.

A big "Well done!" to the Creative Foods team for this fantastic achievement.
